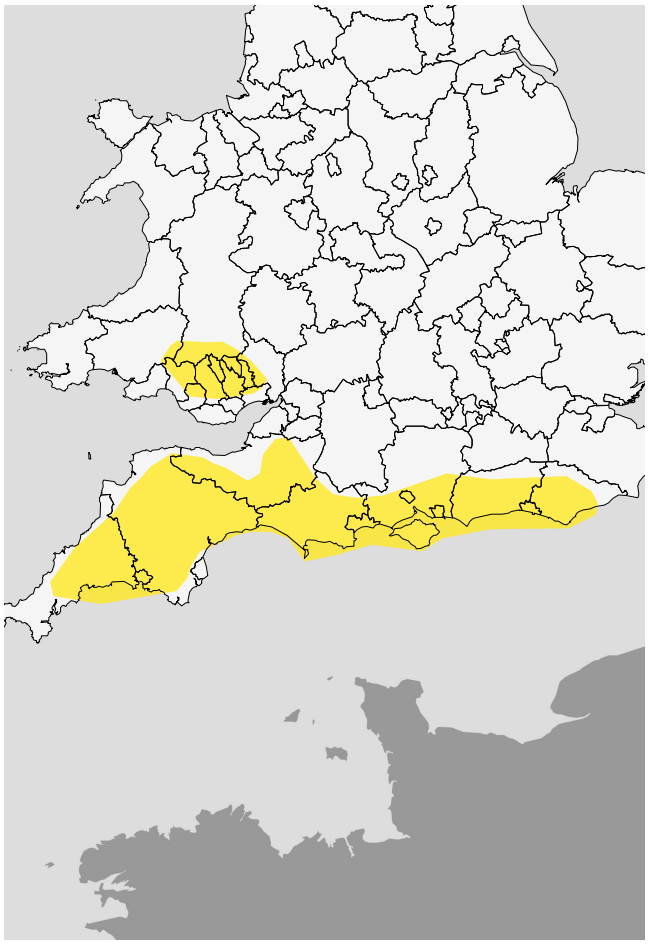
Yellow warning
Rain

Between
18:00 Sun 18 Dec 2022 and
06:00 Tue 20 Dec 2022



Rain, heavy and persistent at times, is expected to bring some travel disruption.

What to expect

- Spray and flooding on roads will make journey times longer
- Some interruption to power supplies and other services
- Bus and train services affected with journey times taking longer
- A few homes and businesses flooded

Further details

Periods of rain will become persistent and at times heavy across parts of southern England and south Wales late Sunday, lasting through Monday, before clearing early Tuesday.

For the area across southern England, 25-50 mm of rain will fall widely, but the highest rainfall totals are likely to be across the higher ground of Sussex and Dorset, where locally 50-80 mm of rain may fall. Across Dartmoor, especially south-facing high ground, totals may locally exceed 130 mm.

For the area across south Wales, 35-50 mm of rain may fall widely, with 70-90 mm possible over south-facing high ground.

✓ High likelihood of low impacts
